## AUSTRALIAN CHEER SPORT ALLIANCE TO APPLY FOR NSO RECOGNITION

---

Australian Cheer Sport Alliance (ACSA) is currently acknowledged by our community as the pre-eminent organisation supporting the delivery and participation of Cheerleading within Australia. In our role as the recognised Peak Body for All-Star Competitive Cheer and Dance Sport, ACSA currently works closely with a range of stakeholders, including Gym Owners, Coaches, Athletes and Event Producers who value the work ACSA delivers on a daily basis in administering and promoting our sport.

As there is no current National Sporting Organisation (NSO) for All Star Cheer & Dance recognised by Sport Australia, ACSA has decided to apply for NSO recognition. We wish to make this application public knowledge as we move through this process over the next month.
